How many endure day after day this nerve-racking, strength-sapping pain without thought of its origin.
The CAUSE is never sought by the majority of sufferers—they endure and wonder.

LADIES' AID SOCIETY.—The Ladies' Aid Society of the First M. E. church will give a St. Patrick tea this afternoon from 2 to 5 in the church parlors. An invitation is extended to all our friends.

THE N. G. A. CLUB.—The young ladies of the N. G. A. club will give a St. Patrick party in the First M. E. church parlors this evening. A good assortment of home-made candies on sale. Everybody welcome. Admission free.

HIGH MASS TODAY.—The high mass at St. Mary's church today in honor of St. Patrick will be at 9 o'clock this morning instead of 10 as erroneously reported in some quarters. The sermon will be preached by Rev. Father Donovan of Boston, Mass.

MINISTERS MEET.—The ministerial association met in the pastor's study at the First Methodist church on Monday afternoon. Rev. C. V. Cowan read an able paper on the relation of Christianity to capital and labor. At the meeting next Monday Rev. A. W. Bagby will read a paper.

A WHEEL THIEF.—Howard Bowley last Saturday stole a wheel in Mesa belonging to R. E. Oakes and the officers of that precinct have been looking after him ever since. They sent word to Marshal Kinney and yesterday evening he caught him and recognized him as an old offender.

MOTHERS' MEETING.—The Women's Christian Temperance Union will hold a mother's meeting and social hour at the residence of Mrs. Wasson, No. 1048 Center street, Wednesday afternoon at 2:30 o'clock. An interesting program has been prepared and a cordial welcome is extended to all ladies. Strangers especially invited.

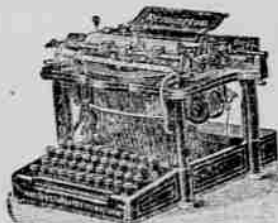

BEFORE JUSTICE BURNETT.—In Justice Burnett's court yesterday three young men were fined \$5 and costs each as a reminder that it is not lawful to break the fence which surrounds Eastlake Park. The damage to the fence occurred during the cowboy tournament on Sunday and his demolition was supposed to afford a better view of the festivities. In the case of Pasqual Grifalva, charged with disturbing the peace of Santa Conale by hurling obscene language at her, the defendant was discharged.

POLICE COURT.—There were three cases before Recorder Jobs yesterday. Ygnacio Pemma, drunk and disorderly, was fined \$5. A young man named Fred Kaunting had been arrested for carrying concealed weapons and frightening some Indians and other people as he passed through the principal streets. Although the gun was not loaded, it created as much fright as if it carried a load of lead. The judge reprimanded the young man and discharged him. Fred Hunt was fined \$5 for being drunk.

A ROULETTE EXPERT.—A great scheme was started in this city for the beating of the roulette games. It was intended to try the expert on the game at Hans Horlick's. Information has come to the proprietor of the place and the habitues were on the lookout for the expert. He called about five o'clock yesterday morning and after suntering about the house went up to the wheel, leaned against it and began making some investigations. An assault was made on him at once. Special Officer Doherty hit him on the head with a gun cutting quite a gash in his scalp. It was decided, however, not to arrest him and he was turned loose with the understanding that he would leave the town at once. He has not been seen since 7 o'clock in the morning.

DISTRICT COURT.—In the case of Mary A. Irvine vs. Edward Irvine et al., yesterday, a motion for a receiver was denied, and the court ordered defendant, Edward Irvine, to pay the plaintiff a temporary alimony as follows: Fifty dollars in five days, fifty dollars on April 15 and one hundred

SEEKST THOU FOR A NEW AND BETTER LIFE, POOR SUFFERER?

Paine's Celery Compound

Will Give You That Health That Leads to True Earthly Happiness

Who dare deny the assertion that Paine's Celery Compound makes sick people well and happy? Physicians and the tens of thousands saved from the perils of disease and plucked from the grave, have given a proof that the wonder-working medicine is a life-saver. Today, Paine's Celery Compound is the one true and guaranteed specific recognized and prescribed for all diseases arising from a debilitated nervous system. It is a positive cure for insomnia, wasting strength, dyspepsia, neuralgia, rheumatism, liver and kidney troubles. For all such complaints Paine's Celery Compound has done marvelous things and triumphed when all other means failed. Mr. J. G. Lamson, Prairie View, Ill., gratefully writes about his restoration to health as follows:

"I am nearly seventy-five years old, and have put off being carried to the grave-yard and gone to farming again. Paine's Celery Compound is my life and strength. It has raised me from a low condition of life to the best of health. When I first commenced with the Compound, I weighed one hundred pounds, but now I weigh one hundred and twenty pounds. I am well and feel well, and my neighbors all congratulate me upon my good healthy looks."

dollars each month thereafter, and also entered the payment of one hundred and fifty dollars in five days as the cost of the proceedings. In the case of Everett Spicer vs. Sarah G. Evans, administratrix, the objection to the jurisdiction, and the motion to dismiss the case which was argued Saturday, was denied. Walter Adams, who has been confined in jail for some time past, was ordered discharged yesterday afternoon at 2 o'clock. The bond was reduced to one hundred dollars, and he was released upon his own recognizance and a promise to keep the peace.

A MATTER OF PRINCIPLE.—When the Pima county bonds were funded the other day in order that the loan commission might issue an even number of bonds, 218, it was understood that Pima county could pay in cash the sum of \$259.25. Word was received, however, at the office of the governor yesterday that the county had declined to make the payment setting up the reason for the refusal that such an action by the board of supervisors would be a recognition of the validity of the claim against the county. Thus the territory has been put in a sort of a hole which it is thought it will crawl out of today. There will be a meeting of the commission today. It is the impression of the commissioners that inasmuch as the United States supreme court has recognized the validity of the debt it would not hurt Pima county to follow suit. Final payment has also been made of the so-called Yavapai bonds, sixteen in number.

OUTGOING PASSENGERS.—Among the people who left on the southbound M. & P. train yesterday afternoon were: W. A. Gelky, for Los Angeles; H. E. Armitage and Adena Hill, for Cochocho; A. H. Bartlett and D. B. Board, for Bisbee; Humboldt Ward, for Benson; J. W. Perkins and wife and J. E. Perkins, for Los Angeles; L. H. Rharr, for Nogales; Dr. Bradman, for Los Angeles; Mrs. E. H. Pfister and Miss Bettie Pfister, for Los Angeles; Miss Elder, for Los Angeles; Mrs. Gilmer and Mrs. Dunkin, for San Francisco; F. Doyle, for Bisbee; Mrs. V. T. Armitage, for Kansas City; Mrs. J. Couch, E. Forrest and William Sartney, for El Paso; W. Arnold and O. A. Wing, for Salt Lake City; Miss M. A. Riordan, for El Paso. Among the passengers on the northbound Santa Fe this morning were: H. P. Lindeman, for Albuquerque; Ada M. Daxell, for Ray City, Minn.; M. E. Branch, for Anderson, Ind.; O. W. Burford, for the Grand Canyon; Mrs. L. Ellsworth, for Holbrook; George S. Holston, for Denver; Mrs. E. Lloyd, for Kansas City; Adolph Baas, for Castle Creek Hot Springs; A. J. Harris, for Kansas City; Llewellyn Lloyd, for Canyon City; E. H. Johnson, for Los Angeles.

AGRICULTURAL YEAR BOOK.—The Phoenix Board of Trade has been unable to supply the demand for the Agricultural Year Book, and a letter was received from Delegate Smith yesterday stating that the edition was exhausted and that no more could be obtained.
